SKILLS

- **Languages:** C++, Java, HTML and CSS, JavaScript, SQL
- **Frameworks:** NodeJS, React, Express, MongoDB, Bootstrap, Tailwind
- **Tools/Platforms:** Git, GitHub, Postman, Vs Code
- **Soft Skills:** Problem-Solving Skills, Team Player, Project Management, Adaptability
- **Coursework:** Data Structures and Algorithms, Object-Oriented Programming, Database Management, Operating Systems, Artificial Intelligence, Software Engineering.

PROJECTS

- **TrustPay App - Recharge and Bill Payment Platform:**
Developed a basic version of a web-based payment application for secure online transactions.
Developed a secure user authentication system featuring robust sign-in and sign-up functionalities, successfully reducing unauthorized access.
Optimized user interaction by leveraging React SPA features; streamlined navigation and reduced page load times.
Tech: React, Node, Express, MongoDB, Tailwind
- **Care4u – Hospital Management System:**
Developed a Hospital Management website using HTML, CSS, and JavaScript.
Implemented secure user authentication, including sign-in and sign-up features.
Integrated online bed booking functionality for seamless reservations.
Designed and optimized a user-friendly, responsive interface to enhance user experience.
Tech: HTML, CSS, JavaScript
- **Roll The Dice Game – 2 Player Rolling Dice Game:**
Developed a web-based game allowing two players to roll dice and compete to achieve a target score.
Designed and implemented game logic and user interface for optimal functionality.
Created an interactive UI/UX to promote an engaging user experience.
Implemented real-time score tracking and win detection to provide instant results during gameplay.
Tech: HTML, CSS, JavaScript

CERTIFICATES

- 0-100 Full Stack Web Development by Harkirat Singh (100xDevs).
- The Complete JavaScript Course by Jonas Schmedtmann (Udemy).
- Data Structures and Algorithms Course by Love Babbar (CodeHelp).

ACHIEVEMENTS

- 3★ coder on CodeChef (Max rating: 1627).
- Solved over 1000 DSA problems on platforms such as LeetCode, CodeChef and Codeforces.
- Ranked 81st and 186th worldwide in CodeChef Long Challenge.
- Ranked 326th and 526th among 25k+ participants in CodeChef Starters.
- Participated in a Web Hackathon at Lovely Professional University, achieving a Top 15 finish among 300 teams.

EDUCATION

- **Lovely Professional University** Punjab, India
Master of Computer Applications; CGPA: 8.25 Since August 2023
- **SRM University, Sonipat** Delhi-NCR, India
Bachelor of Computer Applications; CGPA: 8.57 June 2020 - May 2023
- **Stanford International School** Haryana, India
Intermediate; April 2019 - March 2020
